

Techsavanna
Innovating Life

COMPANY PROFILE

www.techsavanna.technology

BACK GROUND

Techsavanna
Innovating Life

Technology **savanna** Company Limited is a registered software company in Nairobi-Kenya operating since 2012. Our core focus is on providing flexible, efficient and revolutionary IT solutions to corporates, midsize and enterprise level organizations.

We are backed by a competent team with a wealth of knowledge in various **IT platforms**, including web and mobile technology, enterprise solutions, network and IT infrastructures, business collaboration, process automation, bespoke software solutions among others.

Similarly, we have extensive experience in project delivery and management across a wide range of industries ranging from the education sector, microfinance and government, airline, banking, manufacturing and retail among others.

WHY CHOOSE US

We believe in specializing in a specific spectrum of business solutions, as opposed to **jack-of-all trades** approach. This way, we are able to guarantee quality in our service delivery. Similarly, our business doctrine is driven by providing robust, proven and scalable solutions that exceed industry expectations, thus we seek to form strong alliances with leading technology providers as well as our clients

Innovation

We empower progress through our expertise in financial systems and extensive technological know-how, delivering innovative solutions that catalyze growth for businesses and organizations. Our commitment lies in providing high quality, transformative innovations that inspire advancement.

Agility

We are dynamic and adaptable entity that thrives on flexibility, collaboration, and continuous improvement. Rooted in the principles of Agile methodology, we embrace change, foster innovation and rapidly respond to evolving market demands.

Excellence

We are committed to consistently delivering exceptional outcomes and surpassing expectations. We embody a culture of continuous improvement, where each individual takes ownership of their work and strives for the highest standards of quality and proficiency.

Techsavanna
Innovating Life

CORE VALUES

INNOVATION

Appreciating that disruption is uncomfortable thus we push boundaries believing anything is possible.

TRUST

Appreciating that trust is the most precious gem we own and cannot compromise on

OPEN MINDED

We are insatiably curious and always ask
'Why not?'

COLLABORATION

Being open to partnerships externally and internally believing in the collective genius of the team

NUMBER ONE

We are obsessed with being the best. Nobody likes good, we aim to be the best.

AGILE

Reducing the friction between thought and action. Through learning quickly and doing things better

Techsavanna
Innovating Life

OUR PHILOSOPHIES

MISSION

To become a leading software delivery house across Africa providing niche solutions that add value and efficiency through harnessing specific technologies, investing in our people and following effective delivery methods to provide revolutionary solutions.

To provide the right technology, form the right business partnerships and adapt to the right business practices to provide revolutionary and impactful IT solutions.

VISION

Techsavanna
Innovating Life

FOCUS AREAS

PRODUCTS & SERVICES

At Techsavanna, we are passionate about harnessing the power of technology to drive innovation and transform businesses across various industries. As a leading technology company, we specialize in developing cutting-edge software products that cater to the diverse needs of organizations. With our expertise and commitment to excellence, we provide comprehensive solutions that streamline operations, enhance productivity, and enable growth.

RECOMMENDATIONS

24th January 2020

The Managing Director

TECHSAVANNA COMPANY LIMITED

Nairobi

Dear Mr. Jacob Shaviya,

RE: PERFORMANCE EVALUATION Q2 2019/2020 – PROVISION OF OUTSOURCED DEVELOPERS

Following the recent Q2 performance evaluation / appraisal done by the technical team, regarding the support contract and service delivery SLA, your performance was rated at 90.00%. This is excellent service delivery and we do hope that this will be maintained or exceeded further in future measurements. I have attached the performance report for reference.

Also, as part of our relationship building we will appreciate your feedback on how Safaricom can improve to serve you better and increase synergy in the partnership.

We take this opportunity to thank you for the good working relationship and co-operation we have had in the past and look forward to enhancing this going into the future.

Yours faithfully,

For: Safaricom PLC

Samuel Njagi
